

Fairfield College

7 March 2021

Kia ora e te whaanau

I am sure that we are all pleased that Auckland has moved to Alert Level 2 and the rest of New Zealand has moved to Alert Level 1. We have tried to hold our annual school athletics day twice already and each time we have had to postpone it because of a move from Alert Level 1 to Alert Level 2 (February 16 and March 4).

We are planning to have our third attempt on Tuesday, March 9. This will be held at Porritt stadium and all students are expected to attend and participate in the event. Students need to be at the stadium by 8:40am as we have a full day of activities which will last until 3pm. Please ensure that your children come directly to the stadium. It is important that they bring sun smart material such as hats and lotions. Although lunch will be provided for all students it is also important that they bring drinks (water bottle) for hydration. Please remind students that they are not permitted to wear any tinsel, body paint or glitter.

We will communicate any postponement of the event because of weather or raised alert levels between 7am and 7:15am. We will do this through text messaging and the school face book page. If the event is postponed school will operate as normal.

We are also planning to hold the school's swimming sports on Friday March 12. Let's hope that we can get through both events by the weeks end.

Thank you for your continued support.

Kia haumaru - Be safe
Naaku noa, naa
