

Monday 9th October 2023

Dear Fairfield College Community,

I hope this message finds you well. We would like to inform you of an important change to our school schedule that will take effect starting Thursday 12th October.

Our Stars Programme for Year 9 has concluded for 2023 and is no longer offered in Term 4. As a result of this, our school day will conclude at the new dismissal time of 2:35 pm for Thursday's only. This is to take effective from 12 October.

We understand that this change may come as a surprise to many of you, and we want to assure you that this decision was made after a thorough assessment of the programme's impact and the best interests of our students and staff.

While we acknowledge the positive contributions that the Stars Programme has made to our students, we are committed to continuing to provide a high-quality education that meets the evolving needs of our students.

We understand that this change may have an impact on your family's daily routines and arrangements. We apologise for any inconvenience this may cause and are here to support you during this transition. If you have specific concerns or questions related to this adjustment, please do not hesitate to reach out to our school administration.

We appreciate your understanding and flexibility. Your continued support is essential to the success of our school community.

Sincerely

Braden MacPherson
DEPUTY PRINCIPAL
