

# Universities

## UE Entrance Information

This is where you will find minimum requirements, approved subjects for university and literacy requirements.

However, some universities have specific requirements for entry into courses, so we strongly advice that you check the entry criteria for the university and degree that you are applying for.

For further information on NZ University entrance and qualifications visit **Te Pokai Tara**

Make sure you check the Student Notices, FFC Facebook and our Website School Calendar to keep track of the important dates for applying for hostels etc, and to make sure you know when the universities are presenting during the lunchtimes.

### "What should I study at university?"

**No Major Drama** is a **free** web site for students to learn about majors for Bachelor degrees from across all eight NZ universities, also to rank them based on each student's skills and interests. This vital tool will help with one of the most important questions in life.

### Learn about some New Zealand Universities

Find out what they offer and rank them based on your skills and interest.

Make sure you keep an eye on our Pathways Page and School Calendar for Open Days, and visits by these institutions.
