

Fairfield College

18 October 2021

Kia ora e te whaanau

We were informed today that Hamilton will remain at level three and that this will be reviewed by Cabinet on Friday October 22. The following communication outlines the steps that Fairfield College will take to provide distance learning for the remainder of the week.

Fairfield College

From tomorrow (October 19), teachers will be providing distance learning for those students that have access to digital devices through google classrooms. Google classroom codes can be accessed from the school website under the distance learning tab. Can you please remind your children that they also need to check their school gmail addresses to receive additional instructions from their teachers.

We have decided not to distribute digital devices during this stage of the lockdown because of the uncertainty of the alert level situation. It is important that we have the digital devices available for the return of students to on-site learning and we are hopeful that this will happen next week.

Because of the personalised nature of senior timetables we are not in a position to supply hard copy learning resources for year 11, year 12, and year 13 students this week. We will prepare to offer these next week if the alert levels are extended.

We will provide hard copy learning resources for Year 9 and Year 10 students that do not have access to a digital device. These can be collected from the school bus bay tomorrow (October 19) between 12pm and 1pm. Please remain in your vehicle and the package will be delivered to you. Students can also collect the resources by walk through but they need to be wearing a mask and respecting distancing requirements (2 metres outside).

Can you please email Deputy Principal, Sarah Summerfield, if you would like to access these resources.
