

## Webinars for NZ Defence Force Positions 2022:

**Navy - Operational Administrator:** <https://www.facebook.com/events/679024793465485/>

**Date: 24 Feb 22, 6 PM to 7 PM**

Operational Administrators are part of the Support Branch of the Navy. As an Operational Administrator, you will provide high quality administrative and payroll support to ships at sea and serving personnel. You will also provide support in office administration functions such as customer service, document management and personnel management procedures. For more information on this trade, please see the NZDF Website for [Operational Administrator](#).

**Navy - Engineers (Marine Tech, Weapons Tech and Electronic Tech):** <https://www.facebook.com/events/1355950948209485/>

**Date: 02 Mar 22, 6 PM to 7 PM**

**Marine Technicians** are responsible for the operation and maintenance of the ship's engine and drive systems, power generation and distribution systems, as well as the auxiliary systems and habitability equipment which contribute to the ships ability to operate independently. For more information, please click [Here](#).

As a **Weapon Technician** you will be responsible for the testing, maintenance and repair of the ship's arsenal of modern and accurate weaponry, which may include: small arms like shot guns, pistols and rifles or larger weapons like 50 calibre machine guns, torpedoes, surface-to-air missiles, Phalanx close in weapons system, 25mm Bushmaster, the Typhoon/Mini Typhoon and the ANZAC Frigate's 5 inch gun. For more information, please click [Here](#).

As an **Electronic Technician**, your work will involve testing, maintaining and repairing the ship's electronic equipment, which may include: the combat management system, data and satellite communication systems, information systems (including networks), Closed Circuit Television (CCTV), radar, sonar and navigation equipment. For more information, please click [here](#).

**Navy - Naval Police:** <https://www.facebook.com/events/282627113963217/>

**Date: 21 Feb 22, 6 PM to 7 PM**

As a Naval Police person (NP), your job is to protect the Defence Force's people and resources from crime and keep them safe in New Zealand and overseas. You will work alongside colleagues in the Royal New Zealand Air Force (RNZAF) Police and New Zealand Army's Military Police as a highly trained specialist, providing police expertise to the Royal New Zealand Navy (RNZN) and Defence Force community, in a variety of deployed environments. For more information, please click [here](#).

Please note that all applicants must turn 18 by graduation date, 10 Dec 22, in order to be able to start training in August. Students must meet the Minimum Requirements for Aptitude, fitness and health.
